ALUMNI TESTIMONIALS

FEW WORDS FROM OUR PROUD ALUMNUS!

Choices are abundant, it's the right decision which is the rare one. B.Tech IT in SNS College of Engineering is one such decision which i made took me into different dimension. The faculties are very qualified and I know they want us to succeed. They always provided me with the assistance that i required for my overall development and to improve my technical knowledge. I loved the infrastructure of SNSCE and its facilities. I would also like to appreciate the placement cell at SNSCE for the efforts they made to provide us a fair and ample amount of chances. I was completely confident and cracked the aptitude, technical tests and interview rounds due to the extensive mock tests and interviews conducted by the Training & Placement Department and our faculty members. I will always be grateful to SNSCE and its faculties for providing me a platform of practical learning and preparing me for the corporate life. Thank you so much for providing me continuous support and guidance.

The days in Dr.SNS Rajalakshmi college of arts and science, Coimbatore was one of the best chapter in my life. The college was known to be well equipped with top class equipment and facilities that brought the best productivity from each individuals. The homely environment, co-operative seniors and dedicated teachers of Computer Technology department assisted me to convert my vision to reality. Knowledge acquired from inspiring Computer Technology lecturers lead me to be innovative with day to day technologies and expand on my creativity. The enormous level of support they provided me was significant in preparation to pursue higher education at Northumbria University London. I would strongly recommend this program to anyone who's interested in innovating and visualizing new technologies. It's a combination of dynamic, professional and contemporary educational experience which I've admired comprehensively.

No doubt i made the best choice of my graduation in Department Of Business Administration, Dr.SNS Rajalakshmi College Of Arts and Science ,Coimbatore is one among those unique institutions which help students in not only building their career but also enhances distinctive competencies and skill-sets that help students grow in their professional life at an exponential pace. The placement cell is also equally hard working and determined to get the best companies with excellent packages for the students. The environment of college is very positive and inspiring. Overall my journey and experience with Department Of Business Administration, Dr.SNS Rajalakshmi College Of Arts and Science, Coimbatore of my under-graduation has been absolutely wonderful. Thanks to all who has been a part of my college life, and for constantly encouraging me.

"New Beginning of the career started here in my life"
S- Sincerity N- Nobility S- Service
(2013-2017) batch student.

One of the most interesting stages in life that gives you an opportunity to explore is the college phase. This golden period better equips you for all the challenges you will face in life and creates a strong foundation of knowledge. My Experience at SNS College of Technology (Tamil Nadu, India) as a student in the department of Electronics and Communication Engineering. It provides me a great exposure in learning new things, improving leadership skills, technical activities and also career development. Apart from academics, many industrial training (Interacting with industrial members), Placement, and also Volunteer activities is enhanced here. Because of that I got placed in many reputed companies and to make more advanced level of my career. Currently I am doing Postgraduate program in one of the Top University in Italy with full merit-based scholarship. I am proud to say that I am a Student and alumni member of SNSCT.

SRI SNS CHARITABLE TRUST MEMBERS' MESSAGE

Dr.S.N.Subbramanian
Chairman

It is my pleasure to extend hearty greetings to our stakeholders. I feel glad to introduce to you SNS Group of Institutions promoted and run by Sri. SNS Charitable Trust, Coimbatore. Today all the Institutions stand as premier Colleges in Coimbatore and in Tamil Nadu with an excellent reputation. SNSCT is accredited by NBA / AICTE, New Delhi and

also accredited by NAAC / UGC, with "A+" Grade, recognized & approved by UGC as an Autonomous College. SNSCE stands as one of the youngest Institution accredited with NAAC "A" Grade in short period of time and Autonomous College. Dr.SNSRCAS is re-Accredited by NAAC / UGC with "A+" Grade, recognized & approved by UGC as an Autonomous College. SNS Colleges aim at not only educating the young to be successful Engineers, Managers and Entrepreneurs but also to churn out socially responsible human beings of tomorrow. At SNS Institutions, we believe that success comes from a relentless focus on initiative, innovation and execution.

As an Autonomous and NAAC accredited Institution, we have academic flexibility to update our curriculum based on the needs of the Industry and to introduce innovations in various levels to meet global standards. Our Institutional Vision and Mission statements are consistent and is mapped with Program Educational Objectives (PEOs), Program Outcomes (POs) and Course Outcomes(COs) for all Programmes benefitting all our stakeholders.

SNS Institutions are preferred by the students not only from all parts of Tamil Nadu, but also from the neighboring states as well. They are keen to invest in an education that prepares them to face challenges and competitions locally, nationally and globally.

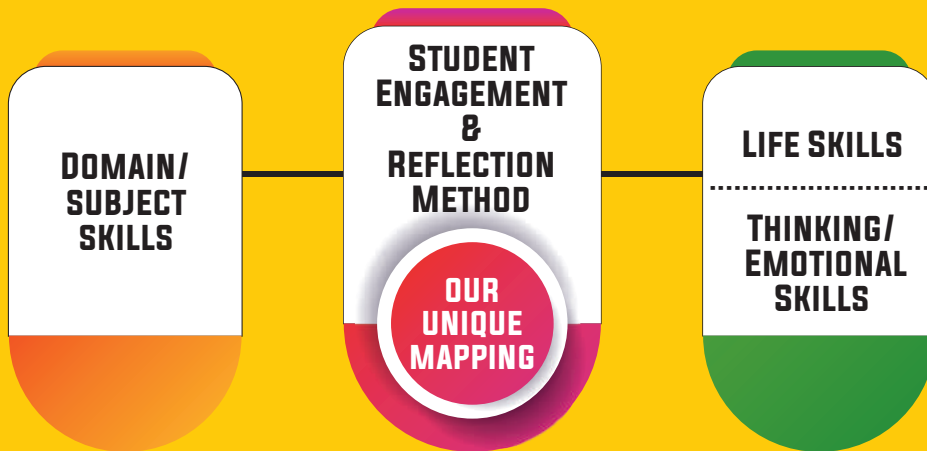

Surely, SNS has become a land mark in the cotton city. A number of our undergraduate and post-graduate programmes are nationally recognized and accredited. Our efficient and experienced faculty members are committed to academic excellence and technically sound in teaching.

Several excellent clubs in our institution offer our students the chance to tackle new personal challenges and develop their talents. Our value added education programmes offer exhilarating, life altering experiences. SNS Institutions had a humble beginning in the year of 1999. Today the institution has reached to greater heights. More than 10000 students have come for seeking an affordable education that would prepare them for a wide range of career options.

What they discover is a world of opportunities to explore new possibilities, new ideas and new perspectives to prepare them for a successful career.

Dr.S.Rajalakshmi

The Native Design Thinker

SNS Institutions is an outstanding,academically-rigorous Institution that strives to offer its students the best education possible, in a vibrant environment for learning and campus life that supports students' academic progress and personal development. All members of SNS community are committed to ensure students' concerns and interests.

Students are valued members of a cooperative academic community, and a primary concern of the Institution. They are treated as individuals, whose diverse backgrounds, goals, aspirations, needs, talents, and successes are welcomed and celebrated. Students are given the means and opportunities to freely probe, examine, debate issues and ideas and actively pursue their educational goals. The rights and responsibilities of students are clearly articulated and supported.

Students participate in Institution's governance and influence goals set by Academic units, Faculty and the Administration. The Institution helps the students to develop the means to succeed, to inquire after truth and to contribute to society over their life times.

ALUMNI TESTIMONIALS

FEW WORDS FROM OUR PROUD ALUMNUS!

After my 4 years in the stream of Electronics and Communication Engineering I added a crown to my name! I was so named Dr. Swathy Srivivasan. Every student's aim is to add that credit before their names, but my SNSCT with its warm smile said 'You will be an Engineer for sure but you are a 35kg of love, hope and passion. don't let it go and manage your time efficiently to balance them. My professors always preached me 'Engineering is all that you see over your vision. Stop discovering and start inventing' we were always in the hands of the best! I was one among the average ones in school. My 12th marks were not sufficient to get government quota in this college, it was like a dream come true being a class topper! And now that I'm working for one of the top fortune 500 companies and as a freelance corporate trainer. This is definitely a 'Magical college and a boon! Thank to the Institution, Teachers and Mentors!

I honestly feel great studied B.Tech Information Technology at S.N.S College of Technology. They always provide a great opportunity for the students to broaden their knowledge beyond their field of studies within a vibrant environment.

IT Department is a place where you can find an amalgamation of learning, fun, culture, lore, literature and many such life preaching activities. They always believed in helping and guiding their students and it was same during the placement season as well.

Also, I am thankful to the Training & Placement cell for providing a platform to enhance my skills and an opportunity to showcase them.

My experience at SNSCE made me to achieve many things, which taught me to transform my life as a very effective one. During my first year of study I thought that college would teach me, how to live in a competitive world. But, the real thing is I learnt how to live successfully in this competitive world. All paths don't reach the wright destination, but the path led by SNSCE will help to reach the peak of success and they made each of us to experience the success through various awards each year. They have various Clubs and Associations to enhance Engineering student as a Professional Engineer. Each and every activity made me to become a responsible citizen by analysing the social problems and my hidden talents. SNSCE has enriched my life in all possible ways. They provided necessary tools to enhance my skills more, taught me valuable knowledge about the diverse world, people and concepts in general. My Experience stressed me the importance of thinking critically and solving problems in many situations. All these aspects of college made me a multifaceted person. Finally, after four years now I am a company's CEO. I feel happy and my sincere thanks to all for making me reach this successful peak.

"My reminiscences about the golden days I invested in the Department of Commerce with Computer Applications are both exciting and exhilarating. In my sophomore days I determined to pursue a Commerce major with Computer Applications in a renowned institution. The Department of Commerce with Computer Applications at Dr. SNS Rajalakshmi College of Arts and Science was my preferred Destination to transform my passionate dreams in to absolute realities. The biggest Department of the college with its robust curriculum, enigmatic faculty and state of art infra chiselled me with values, technique and temperament to position myself to cut above the rest. The Department taught me the creative disruptive skills and inquisitive nature which catapulted me to attain a plump position. I am indebted to the department for nurturing me to realise my optimum potential. The values I learnt in the Department put me in good stead to be ethically sound and intellectually alert human being". Thank you all....

TESTIMONIALS

OUR STUDENTS'

KISHORE KUMAR.G, Mechanical Engineering

It was a great learning experience @ SNS which provided me the right opportunities and gave me adequate preparations for my career.

KOUSALYA.D, Bachelor of Science (Computer Science)

SNS provided me various online platforms to upskill my technical knowledge in my field.

BHAVITH YOKESH RAJ SI, Bachelor of Commerce (Finance)

I'm glad to be a student of SNS Institutions, where I got many opportunities to prove my skills. It gave me an opportunity to learn a number of things.

SRUTHI.S, Computer Science & Engineering

The diversity of this program offered me with a wide range of skills, qualifying me better job opportunities. I am glad that I joined my course here at SNS.

SHANMUGAVEL.A, Internet of Things

Staffs are very friendly and motivating. I like the concept of Design Thinking and I am very much happy to be a part of SNS family.

SEKAR.G.L, Mechanical Engineering

SNS has always been an outreach inspiration for me to find all the opportunities outside the college.

PRIYANKA.S, Business School

SNS provides experimental learning by including new concept and techniques to equip students.

TESTIMONIALS

FEW WORDS FROM OUR PROUD ALUMNUS!

SUVAATHI N, CSA, **AMAZON DEVELOPMENT CENTER**

SNS has given a great start to my life and career as a result of which I can stand strong and face all situations that is thrown at me without any fear. I am grateful to all my faculties and the management for providing their tremendous support throughout.

RAGHU DAS D, Senior Application Support Analyst, **BANK OF NEW YORK MELLON TECHNOLOGIES**

Full of learning opportunities that were full of fun and frolic with academic grind that one has to go through. I am really lucky and proud to have been a part of this institution not only because i got placed but because of the things I have learned over there.

NIVETHITHAR, Associate Engineer, **CTS**

SNS is a great training ground for the rough competition. My experience there taught me to appreciate diversity, be result focused and practical in approach, which laid a good foundation for my career.

SWATHY SRINIVASAN, Programmer Analyst, **CTS**

It was like a dream come true being a topper ! I'm working for one of the top fortune 500 companies and as a corporate trainer. This is definitely a magical college and a boon! Thanks to the Institutions, Teachers and Mentors!

DHANABAL M, Executive - HR Operations, **DIMEXON Group**

It provide world class education across the country and makes you to evolve as a true professional in this environment. All the learnings acquired here during the course helped me to become a highly skilled HR Professional in an eminent Multi-National Company.

HEAR WHAT INDUSTRY EXPERTS SAY ABOUT US!

KARTHIKA J, HR Manager, **G.K.Management Services India Ltd.**

We thank the college management for hosting the off campus drive and accommodating the other campus students for attending the HSFP (Head Start Foundation Program) at your esteemed institution.

SANTHOSH PRAKASH, Senior Test Engineer, **HCL Technologies**

SNS is known for its excellence. And I appreciate the institution for enabling SNS spine for students and industry members, well established activity centre I have encountered.

RAMESH, Managing Partner, **RRK Alloys**

The college has been putting a lot of efforts to provide the students an excellent academic learning environment. And we had a great time and service from SNS Design Thinking Team, with their Industrial Training on Soft Skills for our own employees.

VIGNESH D, Application Development Analyst, **Accenture Technology Solutions**

SNS Spine: The Activity Center! The facility is topnotch and looking for more integration to the community. The intent and message is clear. A well thought facility developed for improvising students lifestyle at campus and industry connect.
